## INTERVIEW SUMMARY

Mail Stop Amendment  
 Commissioner for Patents  
 P.O. Box 1450  
 Alexandria, VA 22313-1450

Sir:

This Interview Summary relates to the interview that occurred on December 6, 2006, between Examiner Patterson and David Belasco, attorney for Applicant.

Applicant thanks Examiner for the courtesies extended in granting an interview. During the interview, Applicant argued, through his attorney, that the terms "high molecular weight" and "medium molecular weight" have art-accepted definitions in the plastic bag industry and as such are sufficiently definite.

Respectfully submitted,

Belasco Jacobs & Townsley, LLP
